

TOGETHER. Shaping the Health of the Community.

Welcome to the inaugural edition of Community Health Partnership's Member Newsletter.

We're excited to provide a way to keep you, our Members, connected and informed about the work we are doing.

This newsletter will be published quarterly and will highlight CHP projects, activities and members.

We hope the stories we share in our e-newsletter will inspire you to continue to support our efforts and let others know what CHP is doing for the future of our community's health care.

CHP Program in the News

A recent blog post, by the National Academy for State Health Policy, highlights how Community Care of Central Colorado (RCCO 7) and Colorado Springs Fire Department facilitated the integration of paramedics as part of the care team to help reduce non-emergency transports and emergency department visits.

Community Health Partnership Events

* March 19 - [Community Care Best Practices Meeting](#)

* March 25 - [Compassion Fatigue Class](#)

CHP's Annual Membership Meeting will be held in May. Details coming soon.

Planning is underway for the third annual Mental Health Summit. More information will be available in the coming months.

CHP would like to take this opportunity to thank all of our guests who came out to support the Grand Opening of our newest offices located at 1465 Kelly Johnson Blvd., Suite 110. We had more than 80 guests attend the event.

We would also like to thank our joint hosts, El Paso County Medical Society, for all they contributed to the success of this event.

As a reminder, CHP Administrative offices are still located at 722 S Wahsatch Ave. Our new offices are primarily for the Community Care Care Coordination staff. We are grateful for your continued support and look forward to seeing you soon.
