The U.S. Department of Housing and Urban Development (HUD) requires that all Continuums of Care across the nation complete a biennial unsheltered count and an annual sheltered count of all individuals experiencing homelessness in the community on a single point in time during the last ten days of January.

The PPCoC 2019 Point In Time Count took place the night of Sunday, January 27, 2019. Emergency Shelters and Transitional Housing Programs collected client-level demographic information from individuals and families staying the night in each program. Unsheltered individuals were surveyed by volunteers, the week of January 28, about their housing status on the night of Sunday, January 27, 2018.
