COHMIS Client Consent for Data Collection and Release of Information

This notice explains how information about you may be shared and used. It also tells you who can access your information. Please read it carefully and ask any questions you may have.

What is COHMIS?

The Colorado Homeless Management Information System (COHMIS) is a data system that stores information about homelessness services. The name of the software that stores this data is called Clarity Human Services. The purpose of COHMIS is to improve coordination of services that support people who are homeless or at risk of homelessness. To further ensure and navigate this coordination, data is shared statewide between the four Continuum of Care (CoC) bodies: MDHI (Metro Denver), Pikes Peak (El Paso County) Northern Colorado (Larimer and Weld Counties), and Balance of State (Remaining 54 Counties). Active agencies that participate in COHMIS are listed on <https://cohmis.zendesk.com/hc/en-us>.

What is the purpose of this form?

With this form, you can give permission to have information about you collected and shared with partner agencies that help provide housing and services. Partner agencies are required to protect the privacy of your identifying information.

You have rights regarding your information:

- You have the right to ask about who has seen your information.
- You have the right to see your information at any time and change it if it isn't correct.
- You have the right to change your authorization regarding the use of your data.
- You have the right to file a grievance if you feel your information has been misused. The Grievance Form may be requested at any time from any participating COHMIS agency.
- Right to refuse information while retaining rights of access to services.

The information to be collected and shared may include:

- Name, date of birth, gender, race, ethnicity, social security number, phone number, address
- Basic medical, mental health, substance use and daily living information
- Housing and program eligibility information
- Use of crisis services, Veteran services, hospitals and jail
- Employment, income, insurance and benefits information
- Services provided by partner agencies
- Results from assessments
- Photograph or other likeness (if included)

By signing this form:

- I authorize the CoC and Clarity to share COHMIS information with partner agencies, and the COHMIS information shared will be used to coordinate services. It will also be used to help evaluate the quality of community programs.
- I understand that the partner agencies may change over time and are always responsible for keeping my information private using reasonable best efforts for privacy policies.
- I understand that agencies must adhere to federal and Colorado laws regarding my protected information.
- I may revoke this consent at any time by returning a completed revocation of consent form, available upon request, to agency staff.
- I can receive a copy of this consent form.
- I understand this consent will expire 7 years from my last COHMIS recorded activity.

Opening Script

Every assessor in your community regardless of organization completing the VI-SPDAT should use the same introductory script. In that script you should highlight the following information:

- the name of the assessor and their affiliation (organization that employs them, volunteer as part of a Point in Time Count, etc.)
- the purpose of the VI-SPDAT being completed
- that it usually takes less than 7 minutes to complete
- that only “Yes,” “No,” or one-word answers are being sought
- that any question can be skipped or refused
- where the information is going to be stored
- that if the participant does not understand a question that clarification can be provided
- the importance of relaying accurate information to the assessor and not feeling that there is a correct or preferred answer that they need to provide, nor information they need to conceal
