Re-house households experiencing homelessness through a Housing First approach

Add new units of affordable housing into the development pipeline

Pikes Peak Continuum of Care

A PROGRAM OF  chp

Continuum of Care Purpose

- Promote communitywide commitment to the goal of ending homelessness;
- Provide funding for efforts to quickly rehouse homeless individuals and families while minimizing the trauma and dislocation caused to homeless individuals, families, and communities by homelessness;
- Promote access to and effect utilization of mainstream programs by homeless individuals and families; and
- Optimize self-sufficiency among individuals and families experiencing homelessness

Pikes Peak Continuum of Care

A PROGRAM OF **chp**

PPCoC 3-year Strategic Plan

Make homelessness **rare** by reducing the inflows of people who experience homelessness into the region.

Make homelessness **brief** by reducing the duration of time people spend in temporary shelter or unsheltered.

Make homelessness **nonrecurring** and one-time by improving system outcomes to permanent housing solutions.

Rare

- Decrease the number of homeless people who are experiencing unsheltered homelessness,
- Increase community bed utilization of transitional housing beds,
- Reduce first time homelessness, and,
- Address racial disparities by reducing first time homelessness among black, indigenous, and persons of color (BIPOC).

Brief

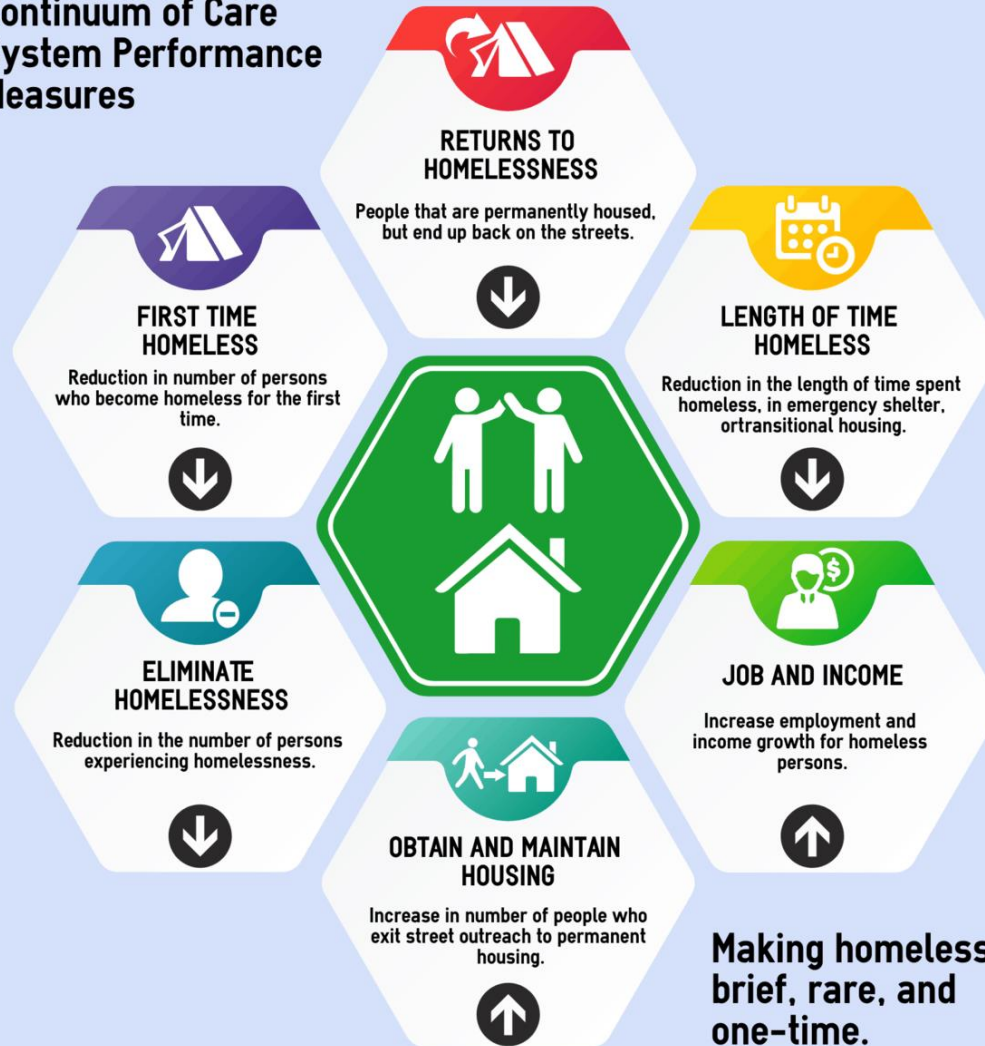

- Reduce length of time people experience homelessness in emergency shelter,
- Reduce length of time prior to housing move-in,
- Increase exits of unsheltered people to permanent housing by street outreach, and,
- Increase exits of unsheltered people to safe, temporary shelter by street outreach.

One-time

- Decrease returns to homelessness from emergency shelter,
- Increase employment for people who exit homeless programs,
- Increase public benefits for people who exit homeless programs,
- Increase the overall successful placement of homeless people into permanent housing, and,
- Increase retention of permanent housing solutions.

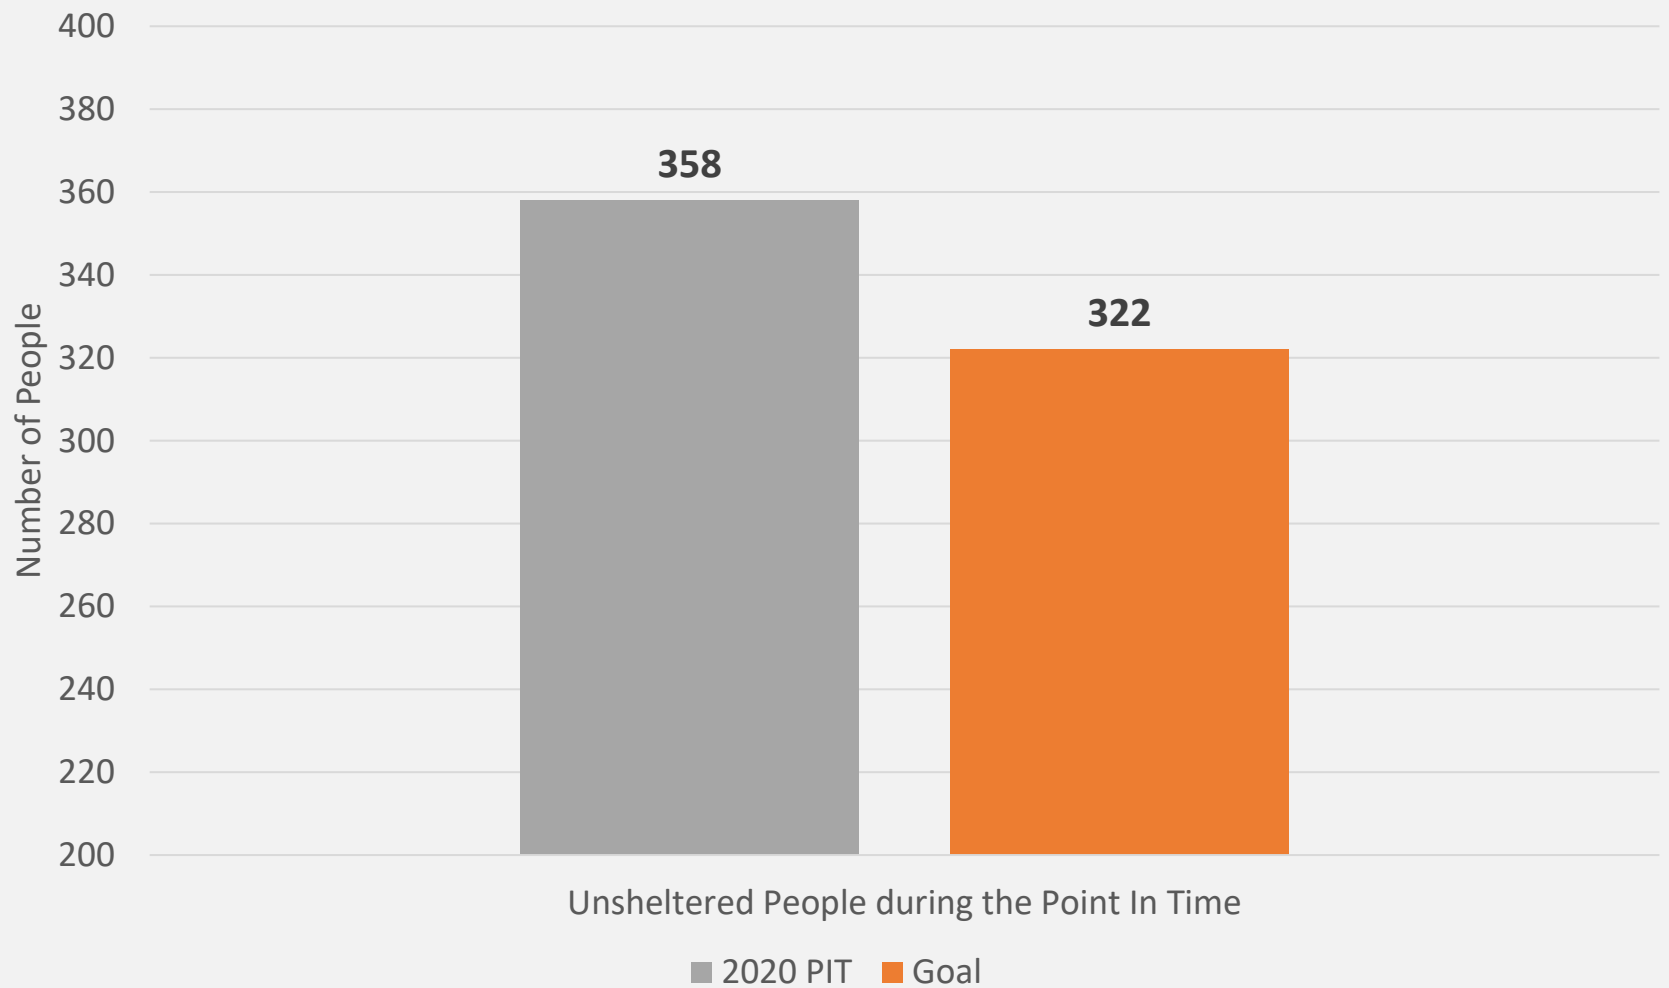

Continuum of Care System Performance Measures

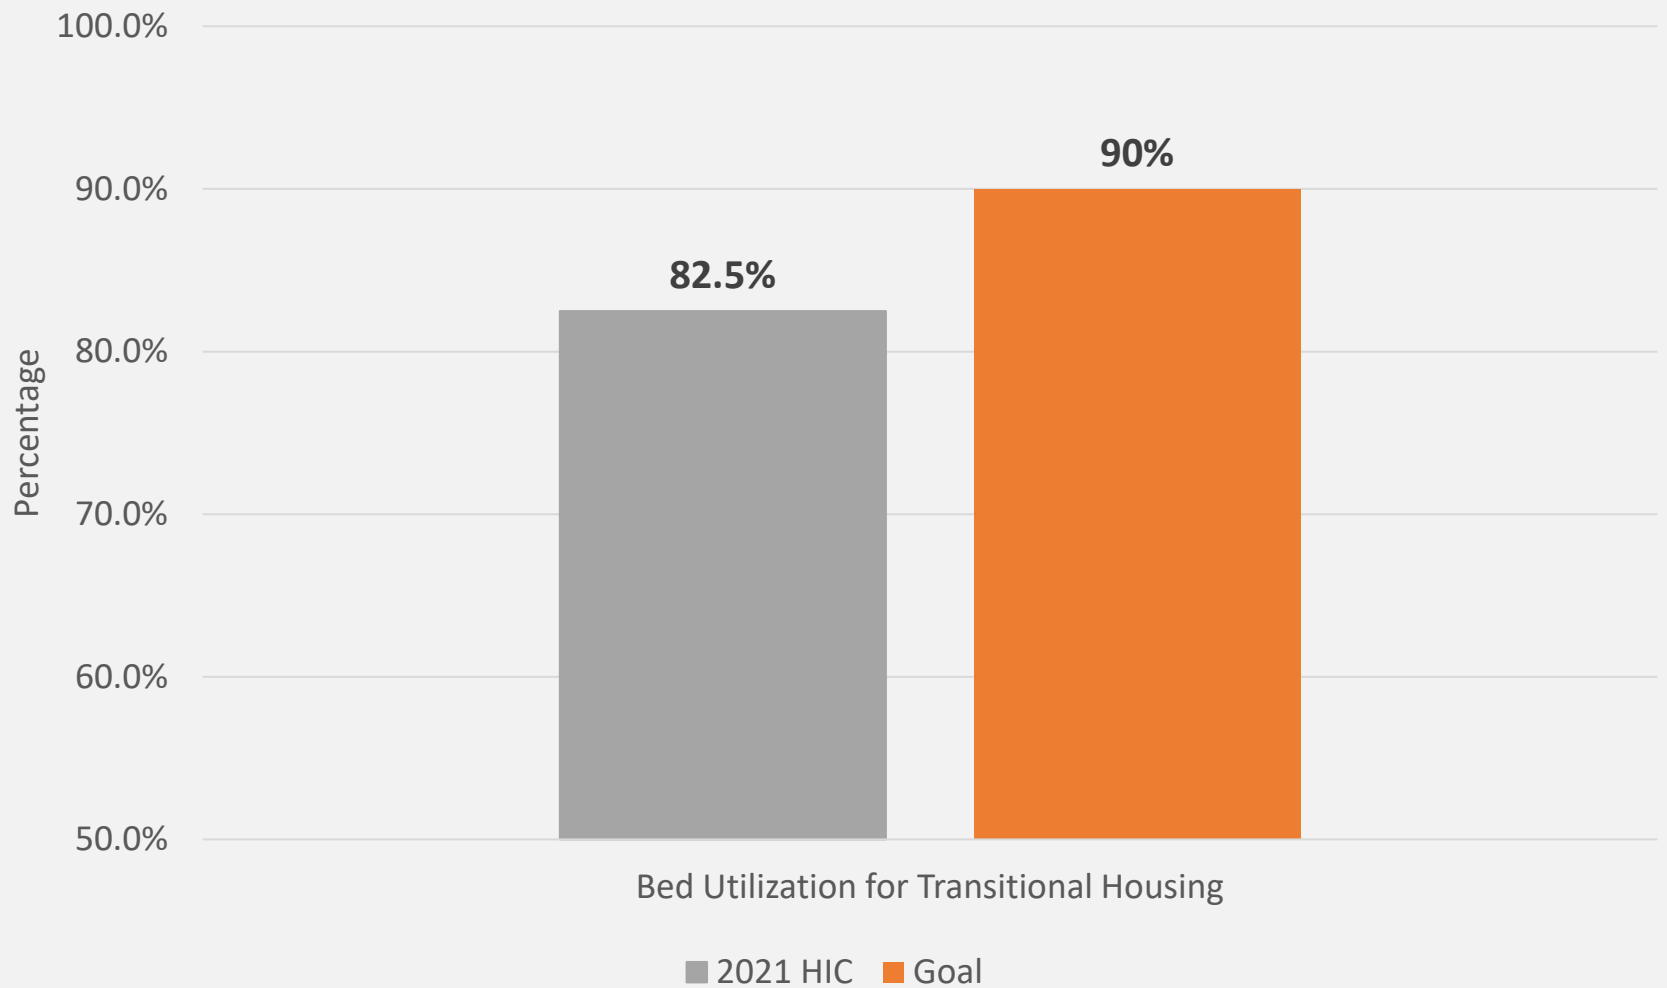

Making homelessness brief, rare, and one-time.

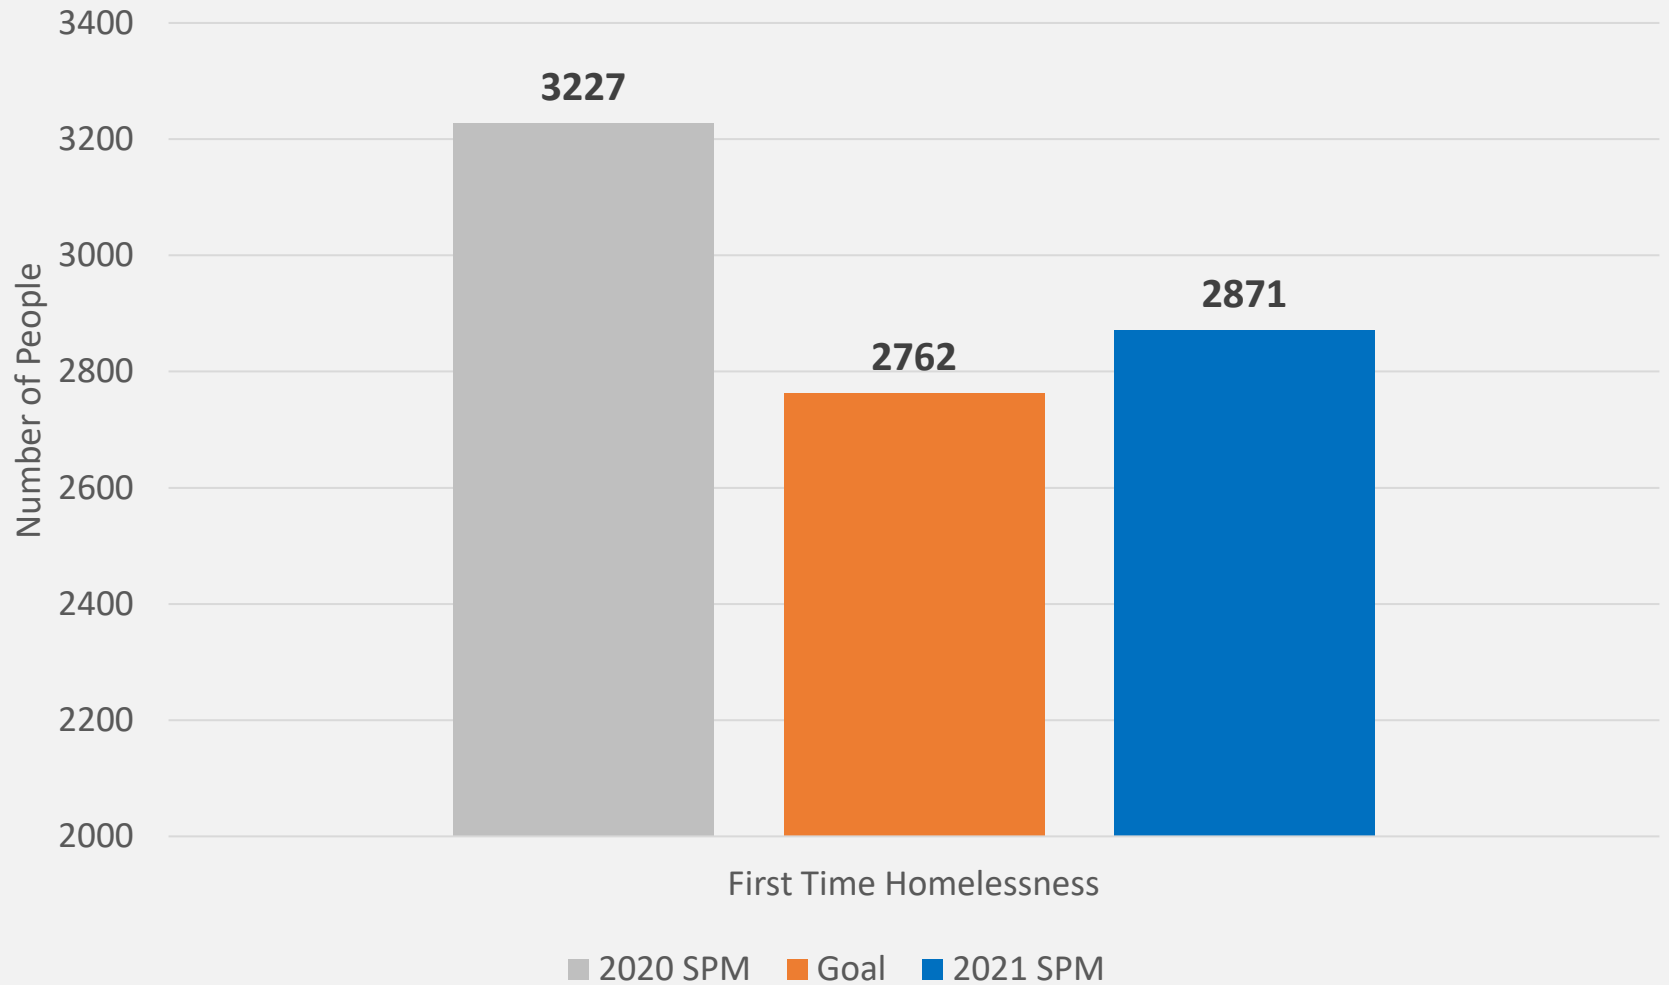

Objective 1.1: Decrease the unsheltered homeless count on PIT by **10%.**

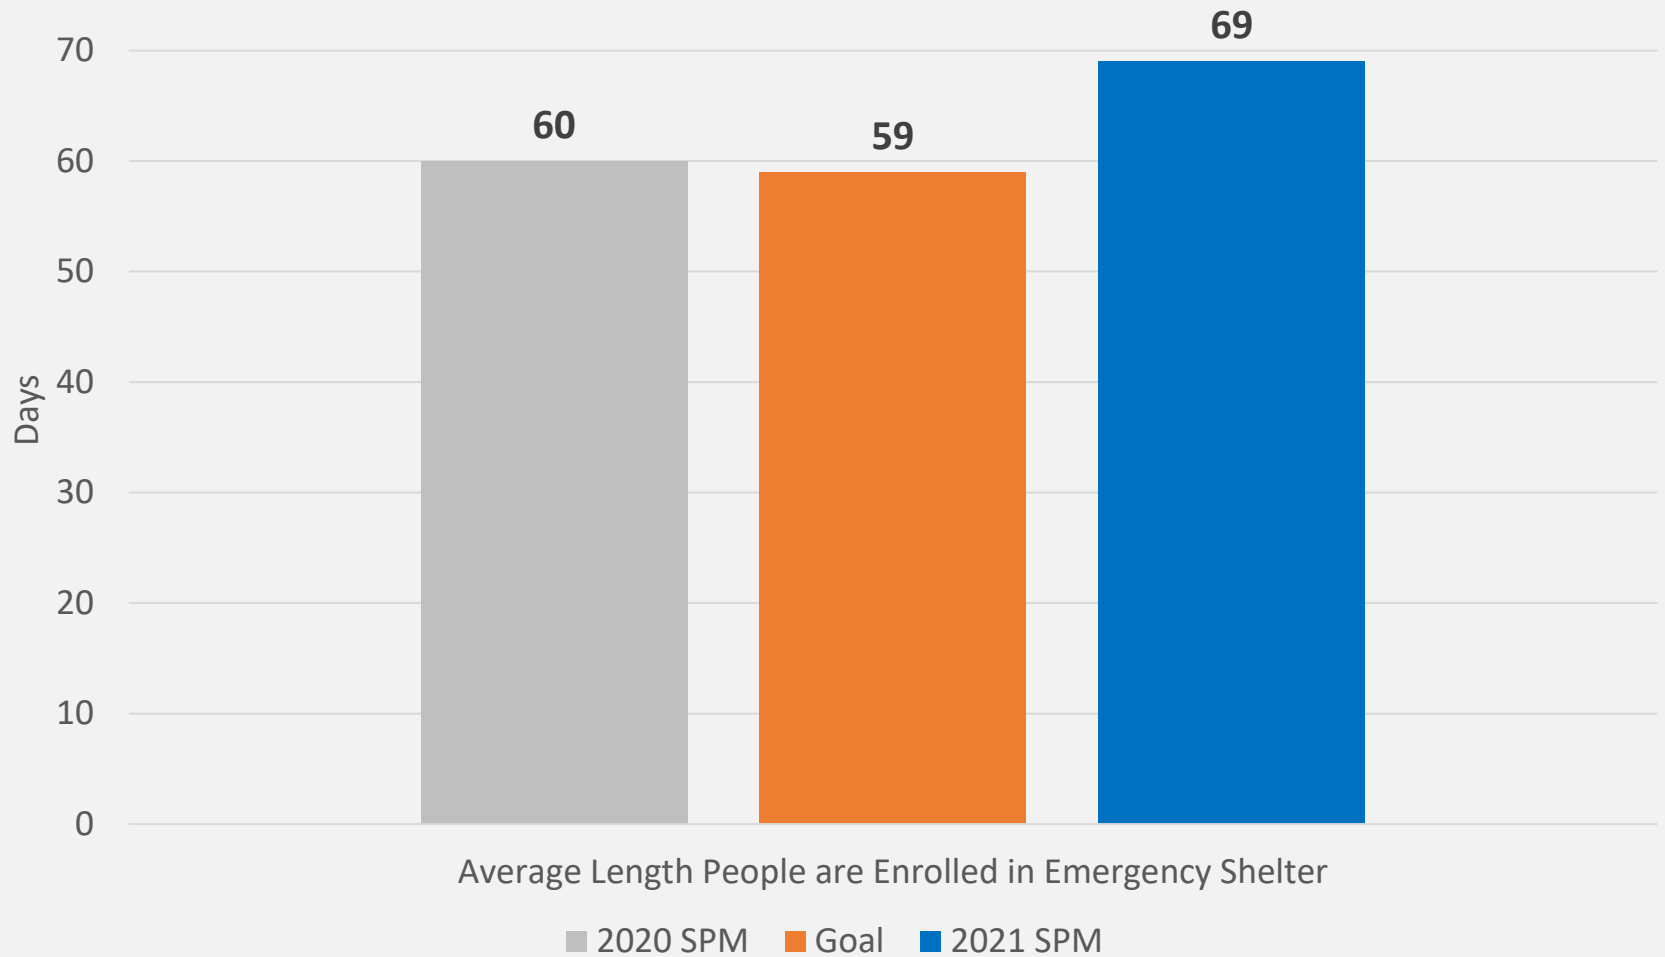

Objective 1.2: Increase bed utilization in transitional housing to **90%** or greater.

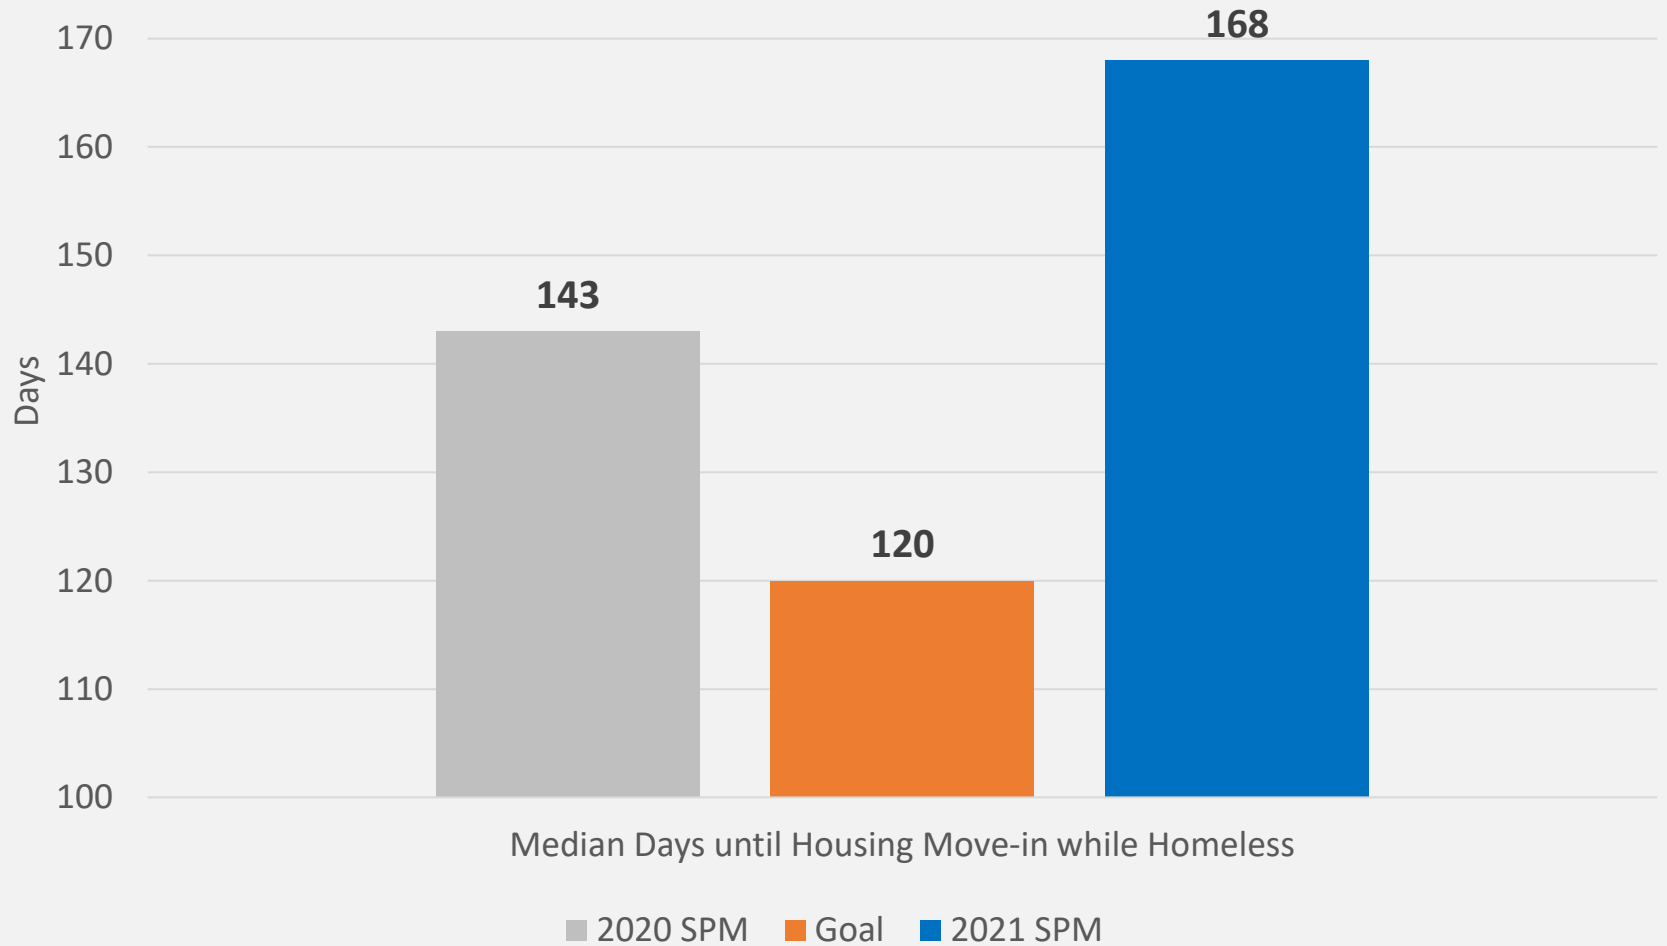

Objective 1.3: Reduce First Time homelessness by **15%**.

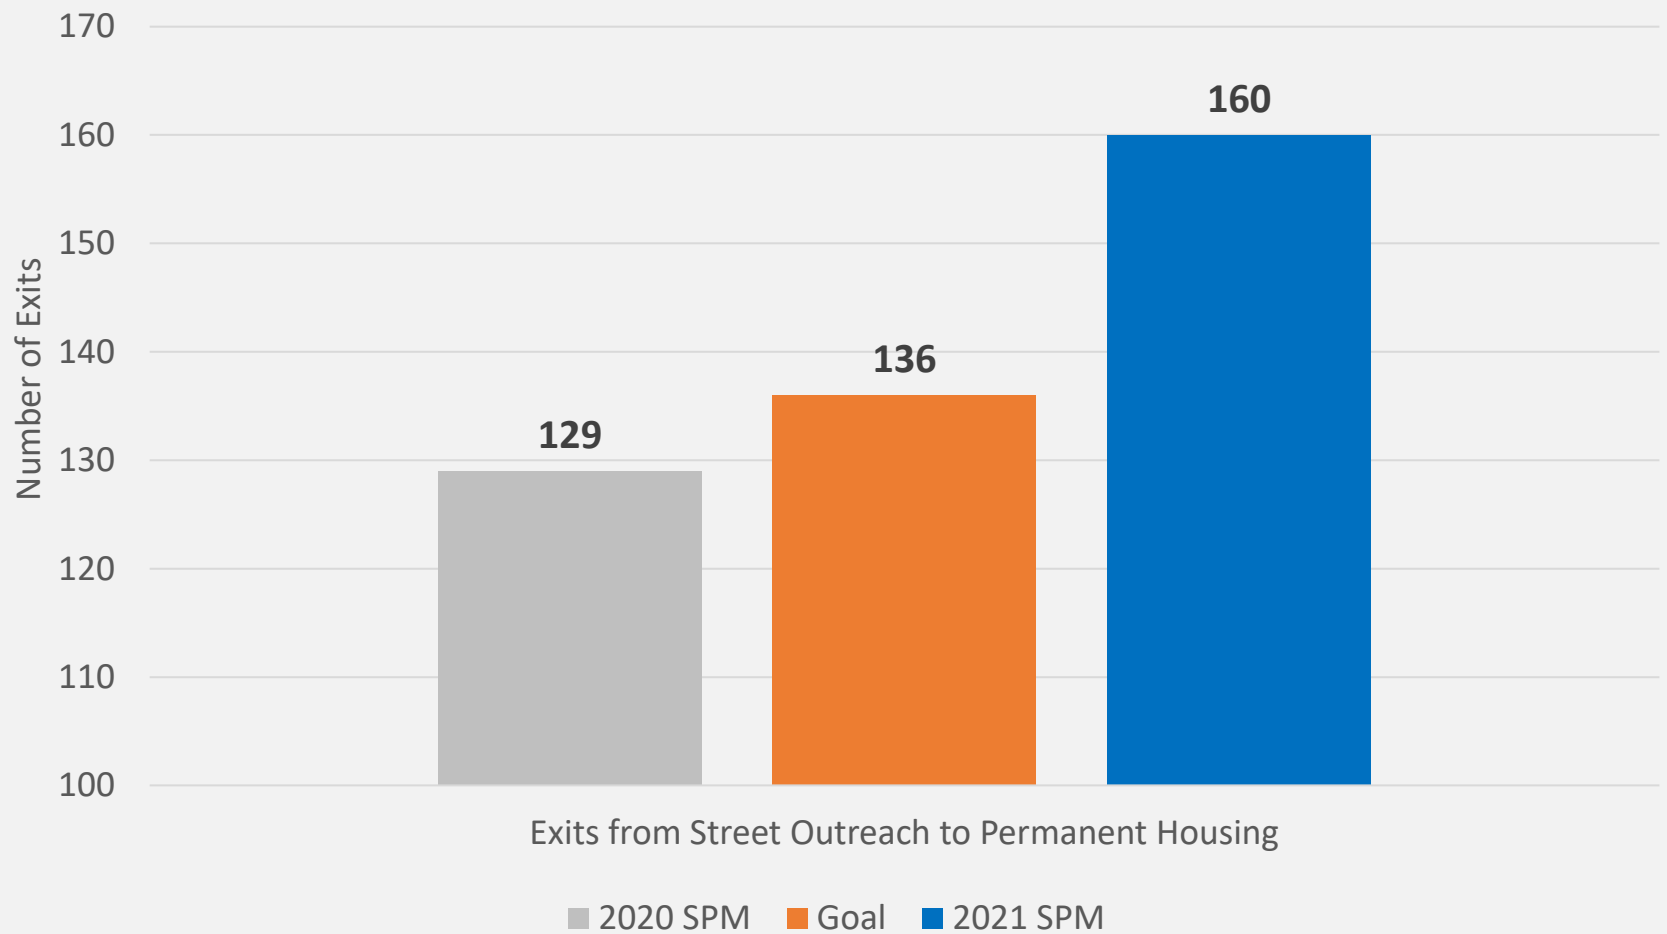

Objective 2.1: Reduce length of time persons spend in emergency shelter to fewer than **60-days**.

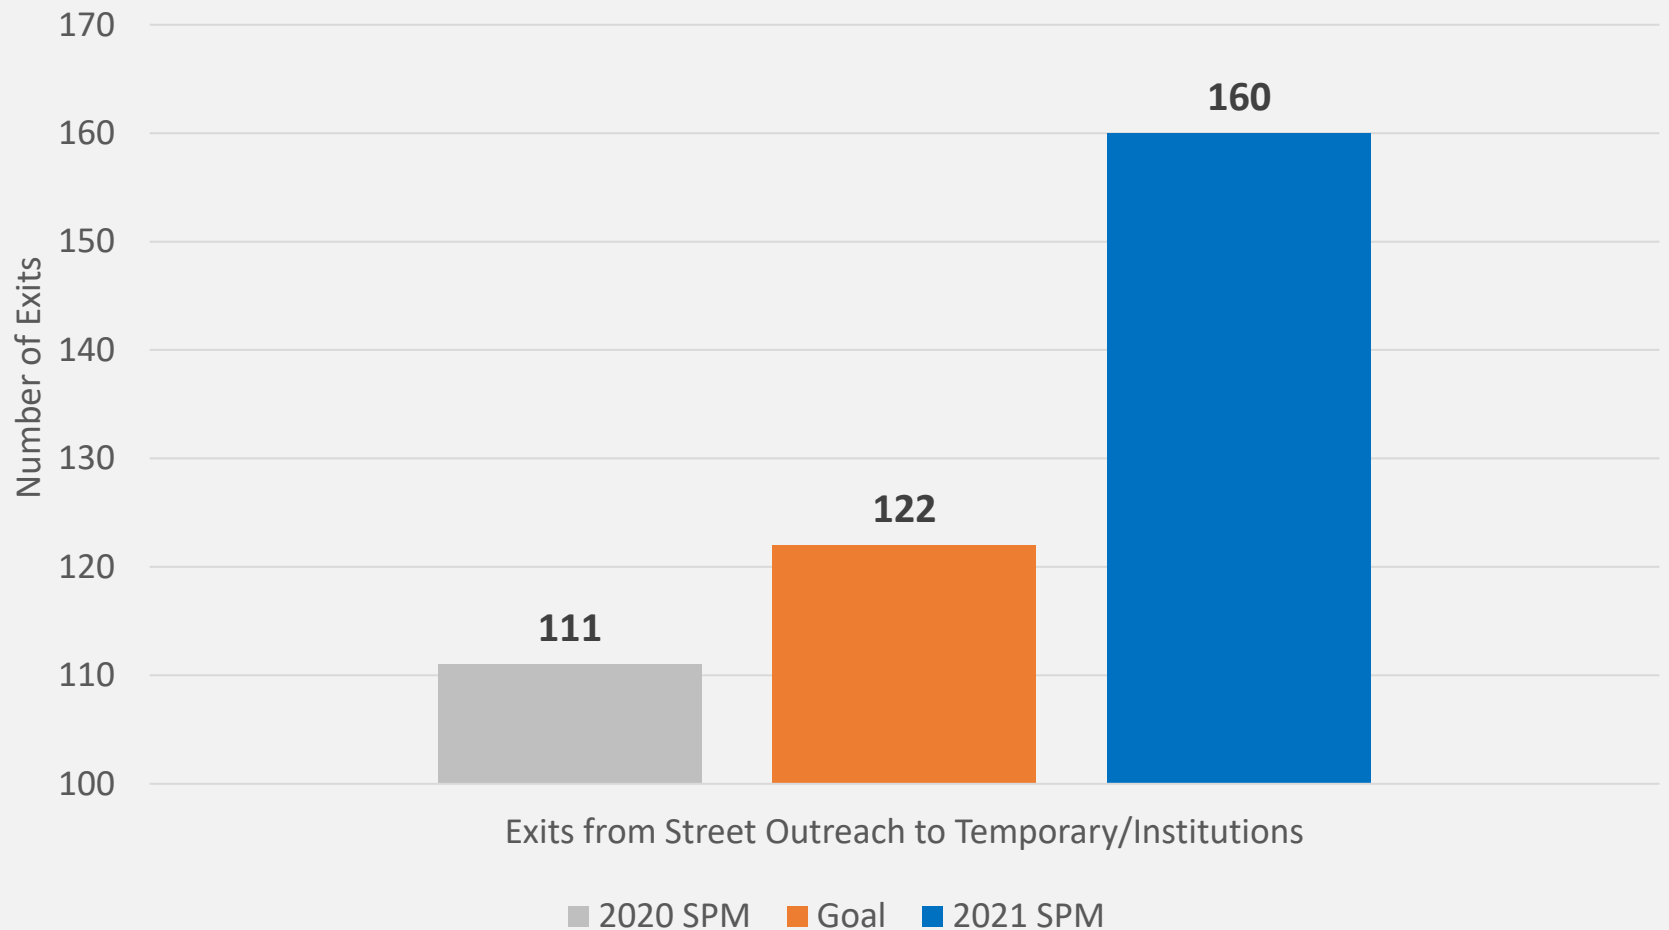

Objective 2.2: Reduce length of time prior to housing move-in to less than **120 median days**.

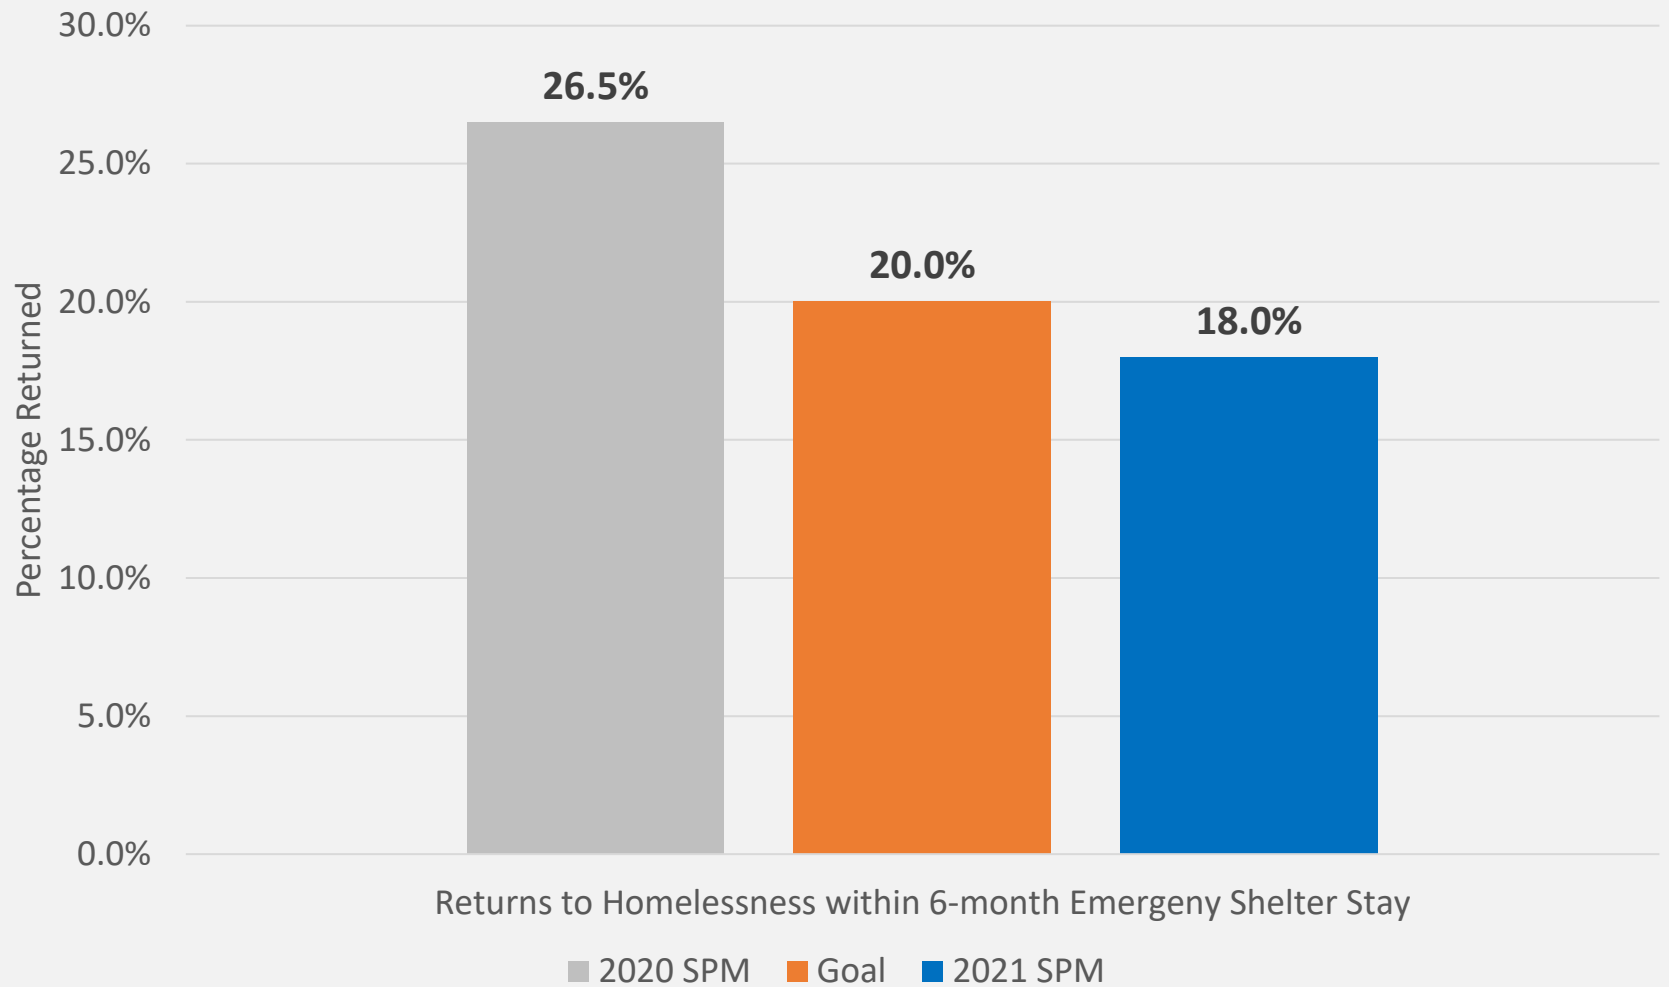

Objective 2.3: Increase exits to permanent housing from street outreach by 5%.

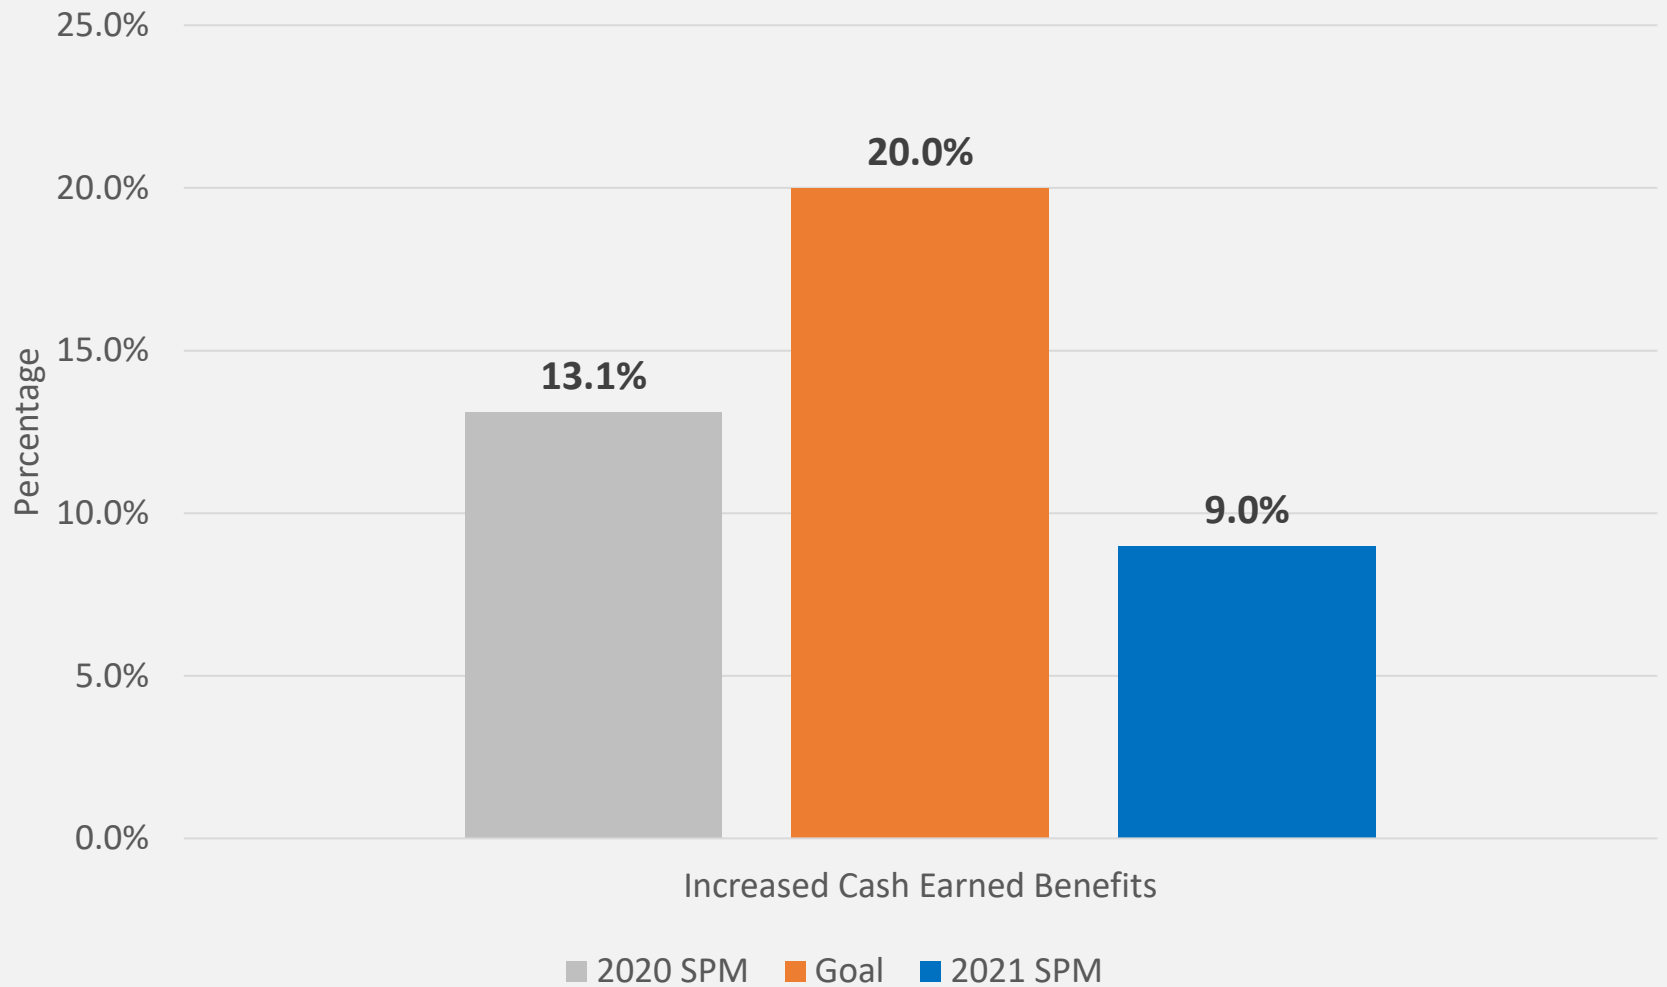

Objective 2.4: Increase exits into temporary/Institutions from street outreach by **10%**.

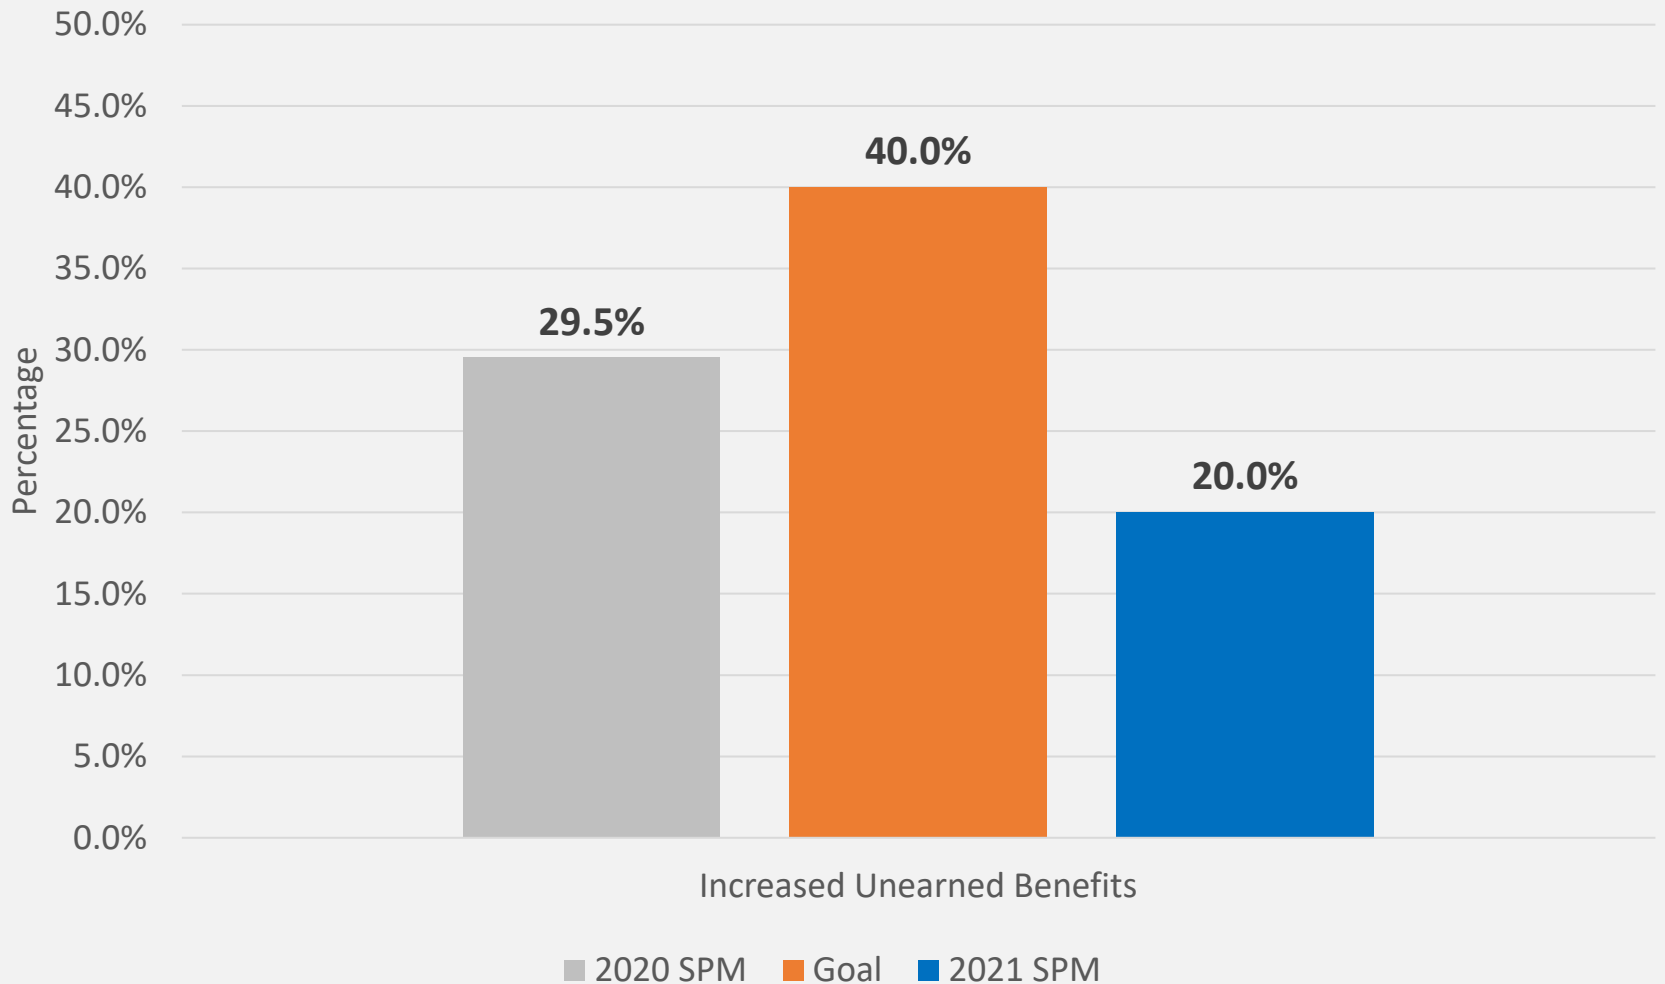

Objective 3.1: Decrease homeless returns to less than **20%** within six-months of stays from emergency shelter.

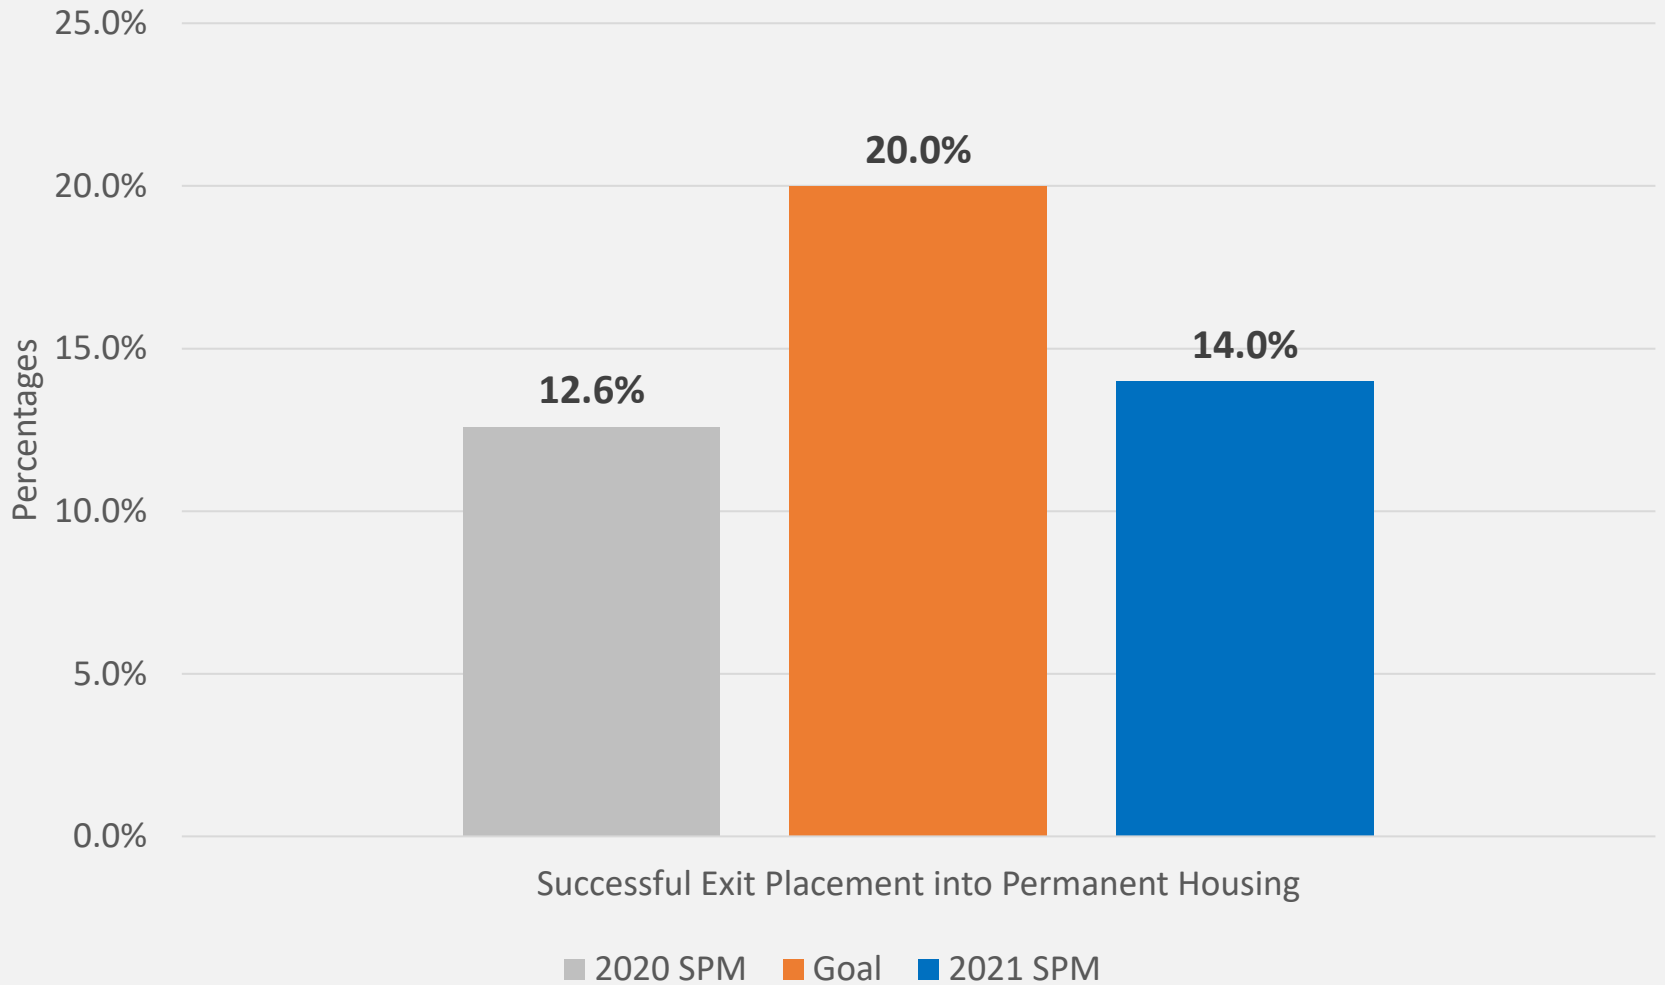

Objective 3.2: Increase cash earned benefits for system leavers to more than **20%**.

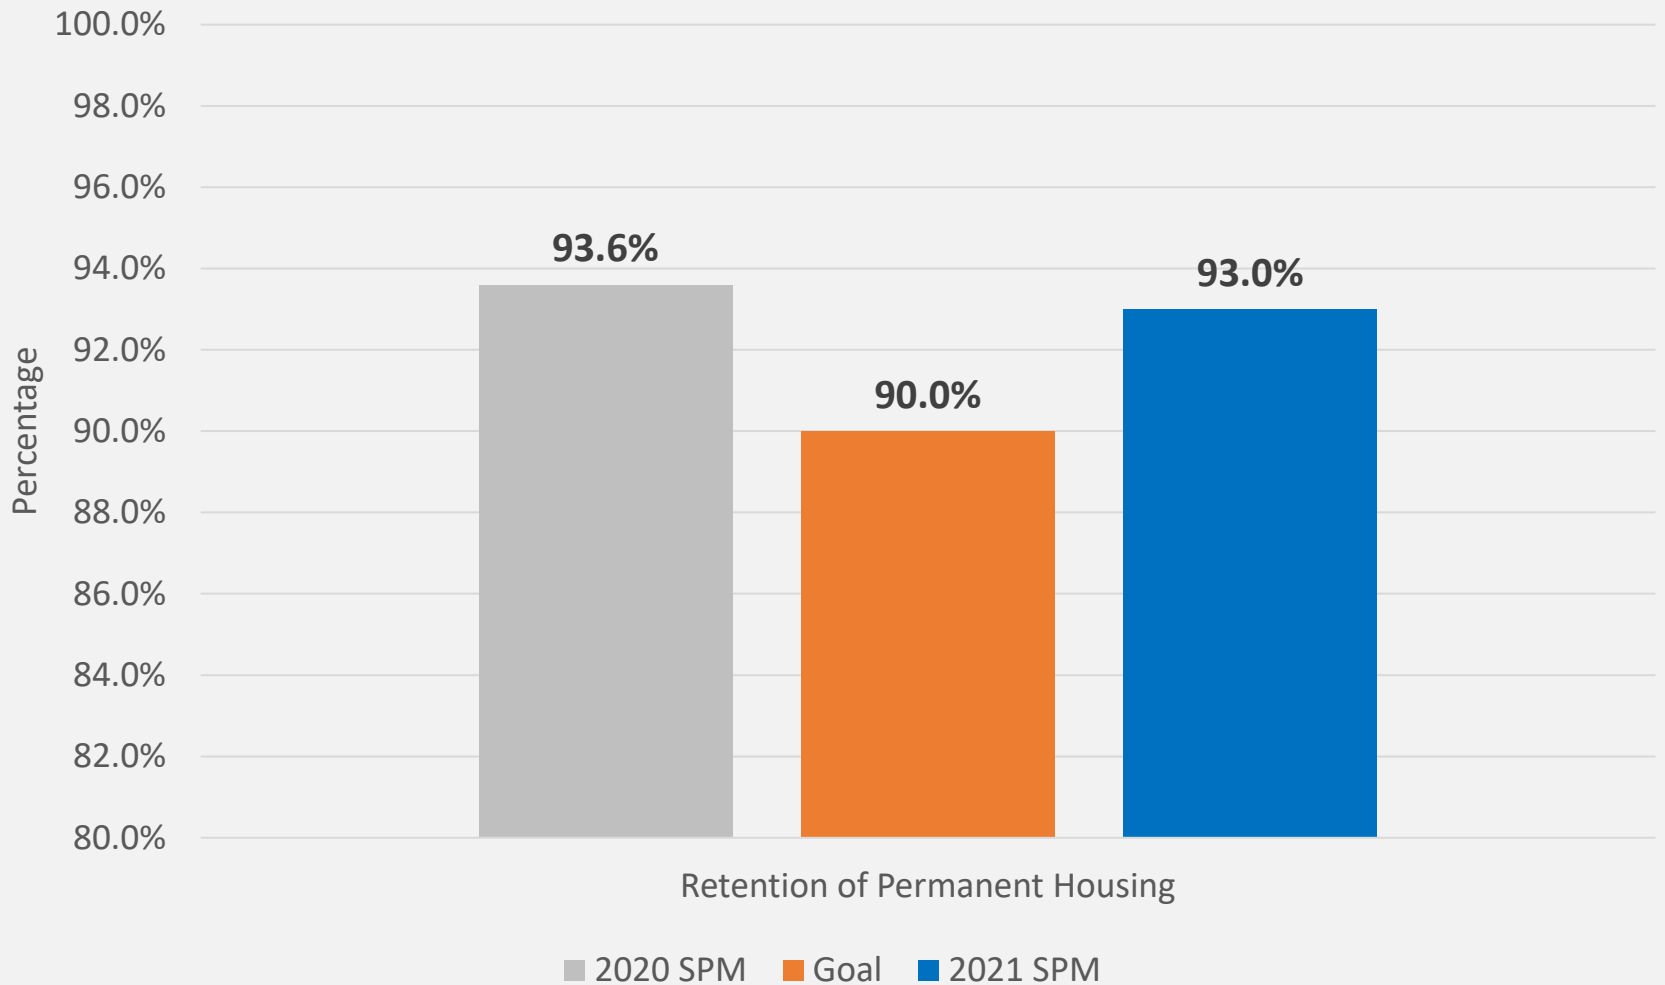

Objective 3.3: Increase unearned benefits for system leavers to more than 40%.

Objective 3.4: Increase successful exit placements into permanent housing by **20%** of all exits.

Objective 3.5: Increase retention of permanent housing to **90%** or greater.
