POINT IN TIME

2023 Point in Time Count: Volunteers Needed!

We Need Your Help!

Surveying will take place throughout the week of January 22nd, with surveyors asking individuals where they slept the night of Sunday, January 22nd into Monday, January 23rd, 2023.

If you have any questions, please contact Scott Correa at scott.correa@ppchp.org.

We need support from you, and anyone interested in ending homelessness in the Pikes Peak region to volunteer during the 2023 Point in Time count!

As a volunteer, you would sign up to survey individuals, youths, and families experiencing homelessness in the community. You may choose to conduct surveys at a homeless service provider location (such as a shelter), a community location (such as a library or food bank), or as a part of street outreach.

If you want to volunteer, you must sign up and attend mandatory training.
